DOCKET NOS. 2012-352-C, 2003-278-C and 2011-318-C

Docket Summary: Application of Telrite Corporation and Applewood Communications Corporation for Approval of an Asset Purchase Agreement

Docket Summary: Application of Telrite Corporation for a Certificate of Public Convenience and Necessity to

Provide Resold Intra-state Interexchange Telecommunications Services within the State of South Carolina

Docket Summary: Application of Applewood Communications Corporation for a Certificate of Public Convenience and Necessity to Provide Resold Interexchange Telecommunications Services throughout the State of South Carolina and for Alternative Regulation

Telrite Corporation ("Telrite") and Applewood Communications, Inc. ("Applewood") (together "Applicants") have filed an Application with the Public Service Commission ("Commission") for approval of an Asset Purchase Agreement (the "Agreement") whereby Telrite will acquire substantially all of the assets of Applewood, including, but not limited to, Applewood's customer accounts in the State of South Carolina (the "Acquisition"). The Acquisition will consolidate the business and customer accounts of Applewood with Telrite in order to create a single, larger provider of telecommunications services facilitating efficiencies to benefit all of Telrite's and Applewood's customers, according to the Application. Applewood's customers will be given the opportunity to switch their service from Applewood to a different carrier. Telrite anticipates that none of the customers of Applewood will experience any change in rates due to the Acquisition nor will service to Applewood's customers be interrupted.

A copy of the Company's application can be found on the Commission's website at www.psc.sc.gov under Docket Nos. 2012-352-C, 2003-278-C and 2011-318-C. Additionally, a copy of the application is available from the Company's representative Leon Nowalsky, Esquire, Nowalsky, Bronston & Gothard, LLC, 1420 Veterans Memorial Boulevard, Metairie, LA 70005.
